Dear Friend,

As we return to our normal lives and put the Covid-19 Pandemic behind us, the St. Patrick's Committee is looking forward to your support once again as we enter our 37th consecutive year. The 2022 Irish Season and the Holyoke St. Patrick's Day Parade will bring our community together once again. Our West Springfield High School Band and Cheerleaders along with elected officials and first responders will join our award winners, Parade Marshal and Colleen and Court. 2020 Colleen Katie Beliveau, Marshal Bill Flaherty, Kelly and Katzer Real Estate, Jinx Powers Award Winner Chris Thompson and CARE Coalition will finally have their day!

Have you seen our floats? There is always a Colleen holding a trophy with a huge smile on her face. This trophy symbolizes the small group of people who have been working tirelessly for three months to build an award-winning float. Over the past few years, we have also been able to award many scholarships. We continue to build on these scholarships as well as expand on all the "Season of the Green" events we host each year. We hope to have these traditions continue but things are getting more expensive and that is why we need your support more than ever.

On Sunday, September 12th, we will be holding our 16th annual golf tournament at Tekoa Country Club. We hope that you can join us out on the links for some good golf and great fun. Prizes will be awarded to the winners of the Men's, Women's, and Mixed Divisions, as well as longest drive, hole-in-one, and closest to the pin. Your help will enable us to fund our events and show the surrounding towns that West Springfield is the great town we all know it is.

A Committee member will contact you soon or you can complete the information on the enclosed form and return it to the address listed. We are a small group of dedicated people who donate their time and talents to bring the community together for one special season. Please see the enclosed registration form for sponsorship and participation information. Please call Bill Joseph at 413-237-3358 with any questions.

Sincerely,

Chris Thompson
